"Your Future, Our Priority!"

Wisdom Academy Prospectus 2026

Welcome from the Principal

Dear Prospective Students and Parents,

Welcome to Wisdom Academy. We are delighted to present our prospectus, which offers an insight into the vibrant community, exceptional facilities, and educational opportunities available at our school. At Wisdom Academy, we are committed to nurturing each student's academic and personal growth. Every child is given a chance.

Warm regards, Muhlana P, Principal

About Us

***Our Vision:** To be the most distinguished Christian school globally, that is, a loving community spiritually and academically equips challenges and inspires students to impact their world for Christ.*

***Our Mission:** To foster a nurturing , mutually supportive school community of students who enthusiastically pursue learning and Christian character, parents who wholeheartedly support the school's mission, qualified and caring Christian staff who sacrificially invest in the lives of students.*

Our Motto

"Your Future; Our Priority!"

Our values

At Wisdom, we value gratitude, abundance, love, compassion, diligence, inclusivity and diversity, respect, Christianity, integrity, excellence and accountability.

School mascot

We chose the owl as our school mascot because owls are keen and knowledgeable creatures. Like the students at Wisdom Academy, the owl is a peaceful creature. The curious owl sits quietly, observing and watching with its wide eyes. Wisdom students do the same, with a sense of wide-eyed wonder! Owls can turn their heads 270 degrees. This helps them to look around their environment. They keep their ecosystems healthy, and we are learning to be stewards of our environment too.

Owls are wise seekers, searching the woodlands like Wisdom students seek out wisdom in the library. Impossible to stop, strong and accurate, owls are like the students of Wisdom as they meet new learning challenges and grow wiser as they conquer their mistakes and fears. Swift and wise, owls glide through the forest so are students at Wisdom as they soar in classrooms seeking knowledge and wisdom.

Academic Programs

Primary Education: Our primary program focuses on foundational skills in literacy, numeracy, science, and social studies. Emphasis is placed on inquiry-based learning and critical thinking. Cambridge Mathematics, Science and English provides a solid foundation for FET

Grade 1-6

Compulsory subjects

FOUNDATION PHASE		INTERMEDIATE & SENIOR PHASES	
1	English (Cambridge)	1	English (Cambridge)
2	Mathematics (Cambridge)	2	Mathematics (Cambridge)

6	Life Orientation (L.O)		
7	I.C.T		
8	Afrikaans/SiswatiFAL		
9	K53 (Grade 8&9 only)		

Secondary Education: We offer a comprehensive curriculum that includes core subjects, elective courses, and advanced placement options. Our dedicated teachers strive to provide a stimulating and engaging educational experience. The GET band is given a consolidated foundation of Cambridge Maths, Science and English to facilitate a seamless transition into FET. Our FET band comprises CAPS Science, General and Commercial streams respectively. Grade 10, 11 and 12 learners need to choose subjects related to their career paths. All the subjects must fall within the same stream. All students are obliged to do at least two official languages.

CAPS SUBJECTS
